## Di padre in figlio / From father to son

### La storia / History

La storia del Gruppo Ciciriello ha origine negli anni '80 nella città di Andria, ai piedi del maestoso Castel del Monte. In questi luoghi intrisi di storia e tradizioni, tra i rigogliosi ulivi e le cattedrali, Giovanni Ciciriello, un commerciante dalla lungimirante visione imprenditoriale, poggia il primo mattone della sua azienda, trasmettendo sogni e progetti ai suoi figli. Oggi il figlio Alessandro è amministratore di Ciciriello Group, mentre a Riccardo è affidato il ruolo di responsabile risorse umane. Alessandro Ciciriello con grande dedizione, sacrificio e perseveranza, ha tramutato i sogni del "Patron" Giovanni in realtà importanti, sempre al passo con i tempi per idee, prodotti e tecnologie.

The history of Ciciriello Group has its origins in the 1980s in the city of Andria, at the foot of majestic Castel del Monte. In these places steeped in history and traditions, among the luxuriant olive trees and cathedrals, Giovanni Ciciriello, a merchant with a forward-looking entrepreneurial vision, puts the first brick of his company, transmitting dreams and projects to his sons. Today Alessandro is the director of Ciciriello Group, while Riccardo is entrusted with the role of human resources manager. Alessandro Ciciriello with great dedication, sacrifice and perseverance, has turned the dreams of the "Patron" Giovanni into important realities, always in step with times for ideas, products and technologies.

### Il nostro futuro / Our future

Il futuro è una promessa di innovazione, ricerca e creatività. Per noi significa continuare a plasmare prodotti che uniscono materiali di eccellenza, design distintivo e maestria artigianale. Con ogni creazione, mettiamo in luce l'unicità e lo stile di chi ci sceglie. L'innovazione è il cuore pulsante dei nostri processi produttivi, unita indissolubilmente alla cura artigianale che ci contraddistingue. È così che diamo forma a un'azienda dinamica, capace di cogliere le sfide del mercato e sfruttare al meglio le tecnologie più avanzate. Ma ciò in cui crediamo davvero è il potere della tradizione che incontra l'innovazione: la sapienza delle mani esperte, l'intuizione creativa, l'esperienza che dialoga con le idee del futuro. Ogni progetto è per noi una sfida da affrontare con passione, trasformando sogni in luce, spazio, casa.

The future is a promise of innovation, research and creativity. For us, it means continuing to shape products that combine excellent materials, distinctive design and craftsmanship. With each creation, we highlight the uniqueness and style of those who choose us. Innovation is the beating heart of our production processes, indissolubly combined with the craftsmanship that distinguishes us. This is how we shape a dynamic company capable of meeting market challenges and making the most of the latest technologies. However, what we really believe in is the power of tradition that meets innovation: the wisdom of skilled hands, creative intuition, and experience that dialogues with the ideas of the future. Every project is a challenge for us to take on with passion, turning dreams into light, space, home.

Varcare la porta di casa non è solo un gesto, è l'inizio di un racconto. È il momento in cui il mondo esterno sfuma e prende forma il tuo spazio personale. Abbiamo pensato questo catalogo come un percorso che parte proprio da qui, dall'accoglienza di un ingresso, per accompagnarti in ogni stanza.

Dalla solidità di un tavolo che attende di ospitare i tuoi momenti conviviali, alla linea silenziosa di una madia che custodisce i tuoi ricordi, fino ai riflessi di uno specchio che amplifica la luce dei tuoi giorni. Ogni sedia, ogni sgabello, ogni poltrona è un invito a fermarsi.

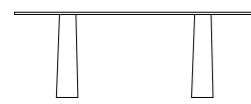

Scegliere non significa solo arredare, ma decidere come vuoi vivere. Benvenuto a casa.

Crossing the doorstep is not only a gesture, but also the beginning of a story. It is the moment when the outside world fades away and your personal space takes shape. We have conceived this catalogue as a path that starts right here, in the welcoming atmosphere of an entrance hall, to guide you through every room.

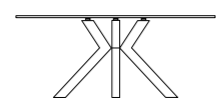

From the solidity of a table waiting to host your moments of conviviality, to the understated lines of a sideboard that holds your memories, to the reflections of a mirror that amplifies the light of your days. Every chair, every stool, every armchair is an invitation to pause.

Choosing is not just about furnishing your home; it's about deciding how you want to live. Welcome home.
